I am currently looking for an employment.

Having been employed in 1998 - 1999 as Assistant with the Deputy Counsellor on Economics and Trade by the EMBASSY OF FRANCE IN UKRAINE, I was recommended for studies in France by this Embassy.

Besides the work in an Embassy in Kyiv and the studies abroad I mention my training experience in the banking environment within a "Financing and Investment Department" of "BANQUE NATIONALE DE PARIS (BNP) - PARIBAS" - the BNPP Bank (2003) and in the enterprises' environment within the General and the International Directions of the big companies' groups TOTAL (2002), IMERY'S (2001), VEOLIA (2000) co-operating, - the most of them, - with the EUROPEAN BANK FOR RECONSTRUCTION AND DEVELOPMENT (EBRD) based in the United Kingdom's capital London at 1, Exchange Square, LONDON EC2A 2JN.

In Paris the French Centre on the Foreign Trade (CFCE - CENTRE FRANCAIS DU COMMERCE EXTERIEUR) recommended me for the trainings with them. My CV details my education and the related trainings, my working experience. Therefore I have pleasure in enclosing my CV.

Upon your request I can provide with the letters of recommendation from the above - mentioned companies and from the SORBONNE University giving the positive opinion on the results of my work.

I believe I could successfully apply the skills acquired during my previous experiences to the post of a bilingual Assistant.

At your disposal for an interview or an appointment in the Embassy's premises, at any time, at the date fixed by you, I am looking forward to hearing from you soon.

Yours sincerely,

Ms Lesya. Kukhta
